

Chemical Inventory Quick Start

1. The chemical inventory software is called “4DClient.” It is installed on the Micron Express computer in Hilgard 23. If you wish to install it on your own computer, the software may be downloaded at <http://ehs.berkeley.edu/database/download4D.html>
2. At the opening window, select “Chemical Inventory.”
3. At the login screen, enter the username and password.
4. Select the room number, and go from there.
